Assignment – Multiplication

Table of Contents

1. Introduction	3
2. Objective	3
3. Prerequisites	3
4. Associated Data Files	3
5. Problem Statement.....	3
6. Expected Output	3
7. Approximate Time to Complete Task	3

1. Introduction

This assignment will test your skills on JavaScript learnt in the class.

2. Objective

This assignment will help you to master the following concepts:

- function
- closure
- inner function

3. Prerequisites

Not applicable.

4. Associated Data Files

Not applicable.

5. Problem Statement

Write a closure in which outer function that has a parameter is used by inner function which also has a parameter. The operation performed by inner function is to return multiplication of both the parameters value. Call this closure function and alert the multiplication produced by the closure

6. Expected Output

Not applicable.

7. Approximate Time to Complete Task

30 Mins
